September 30, 2010, Auburn Hills, Mich. -

Chrysler Group LLC today reported U.S. sales of 100,077, a 61 percent increase compared with sales in September 2009 (62,197 units).

September represents the sixth consecutive month of year-over-year sales increases, and the second month this year that Chrysler Group sales exceeded the 100,000-unit threshold. Nearly all Chrysler Group vehicle lines currently in production improved year-over-year sales.

"We will continue to build sales momentum this fall as a slate of new product begins arriving in our dealerships," said Fred Diaz, President and Chief Executive Officer - Ram Truck Brand and Lead Executive for U.S. Sales. "Consumers soon will be able to see more of our all-new and significantly-refreshed vehicles in our dealerships."

The new 2011 Chrysler 200, which replaces the Chrysler Sebring, and the all-new 2011 Dodge Durango sport-utility vehicle will arrive in dealerships during this quarter. Also arriving this quarter are the significantly-refreshed 2011 Jeep® Patriot, 2011 Jeep Wrangler and Wrangler Unlimited, 2011 Chrysler Town & Country and 2011 Dodge Grand Caravan minivans, 2011 Dodge Charger and 2011 Dodge Avenger. Additional new models also will be available during this quarter.

In all, Chrysler Group this year is introducing 16 all-new or significantly- refreshed vehicles representing 75 percent of its nameplates.

Chrysler Group finished the month with a 58-day supply of inventory (231,304 units). U.S. industry sales figures for September are projected at an estimated 11.9 SAAR.

### **September 2010 U.S. Sales Highlights by Brand**

#### **Jeep Brand**

The Jeep Brand posted a 65 percent year-over-year increase in September, the best September for sales in three years. The all-new 2011 Jeep Grand Cherokee contributed to the increase as its September sales were up 98 percent over August. Total Jeep Grand Cherokee year-over-year sales were up 95 percent in September. Sales of the iconic Jeep Wrangler, the brand's volume leader, increased 29 percent compared with September 2009. Jeep Patriot and Jeep Compass also had a strong September as each model posted triple-digit percentage sales increases. The 2011 Jeep Wrangler models - with all-new interiors - will be arriving this month in greater numbers on dealership lots. The new 2011 Jeep Patriot, the affordable compact sport-utility vehicle, arrives in dealership showrooms this quarter with rugged new exterior styling, interior enhancements, and refinements to the suspension and steering systems.

## **Ram Truck Brand**

The Ram Truck Brand posted a 22 percent sales increase in September, compared with the same month in 2009. Ram pickup truck sales increased 26 percent in September as both light- and heavy-duty pickup truck sales posted double-digit percentage sales increases. Crew Cab and Quad Cab models continue to be the most popular consumer choices. Dodge Dakota sales also were strong last month, up 141 percent compared with September 2009. The Ram Truck Brand last week unveiled the most luxurious Ram Truck ever produced by the company. Named the Ram Laramie Longhorn edition, the Ram lineup's most well-appointed model is designed for the owner who needs a truck for work or play, but won't settle for anything but the finest quality and refinement. Ram Laramie Longhorn models will go on sale first quarter 2011. Ram Truck officials unveiled the Laramie Longhorn in the heart of Truck Country: the State Fair of Texas. Ram Laramie Longhorn's design cues were taken from traditionally handcrafted, time-tested wares, such as the antique pocket watch, a fine pair of hand-tooled leather cowboy boots, a collector's-grade shotgun or a horseman's saddle. The metal work and leather work are second to none.

## **Chrysler Brand**

The Chrysler Brand posted a 92 percent sales increase in September, compared with the same month in 2009. The Chrysler Town & Country minivan, the brand's volume leader, posted a sales increase of 149 percent in September. Town & Country has posted year-over-year sales increases every month this year. Chrysler Sebring (sedan and convertible) posted a sales increase in the triple digits.

The brand is replacing its full lineup with either all-new or significantly improved vehicles in just the next few months. The new 2011 Chrysler 200 mid-sized sedan, which will replace the Chrysler Sebring, will be arriving in dealership showrooms this quarter offering consumers exceptional craftsmanship inside and out, a refined and spirited driving experience, innovative technology, an abundance of standard safety features and an extraordinary level of standard content. The new 2011 Chrysler Town & Country also arrives in dealerships this quarter. The 2011 minivan offers consumers fresh, sophisticated, styling; a beautifully-crafted interior; improved driving dynamics; a new powertrain; and SafetyTec, a package of 40 standard safety and technology features.

## **Dodge Brand**

The Dodge Brand posted a 71 percent sales increase in September, compared with the same month in 2009. All Dodge models posted sales increases during September. By the end of this year, Dodge Brand will fill dealer showrooms with a vast array of new or updated Dodge products. The all-new 2011 Dodge Durango, a three-row sport-utility vehicle, begins arriving this quarter in dealerships. The 2011 Durango's stiffened unibody structure is engineered with the driving enthusiast in mind. The end result is a vehicle that delivers premium driving performance combined with SUV capability and crossover versatility. Durango will be followed by the all-new Dodge Charger and significantly redesigned Grand Caravan, Journey, Avenger and Challenger with two new powertrains. These products will join Dodge Nitro and Dodge Caliber in dealer showrooms.
