October 23, 2010, SAN ANTONIO, TEXAS -

Dozens of journalists representing the Texas Auto Writers Association (TAWA) spent two days driving the industry's newest sport-utility vehicle lineup late last week, over a variety of on-road and rugged off-road terrain. When the dust settled and ballots were counted, the all-new 2011 Jeep® Grand Cherokee was named "SUV of Texas" by the influential group of automotive journalists.

The automotive industry's new benchmark, premium SUV was also named "Full-size SUV of Texas," and the 2011 Jeep Wrangler Unlimited Sahara - complete with an all-new interior, body-color hard top, and legendary Jeep capability - took home the "Mid-size SUV of Texas" crown.

"It was an honor to represent Jeep at the Texas Auto Writers Association 'Truck Rodeo,' and we are thrilled that this opinion-leading journalist organization has recognized the all-new 2011 Jeep Grand Cherokee as the 'SUV of Texas' and the 'Full-size SUV of Texas,' and the iconic Jeep Wrangler Unlimited as the 'Mid-size SUV of Texas,' said Mike Manley, President and CEO -- Jeep Brand, Chrysler Group LLC. "This new generation of the Jeep Grand Cherokee delivers the perfect blend of on-road refinement, superb craftsmanship, world-class design, improved fuel economy, innovative features, and legendary real-world capability."

"At the same time, the iconic Jeep Wrangler keeps getting better, and we're thrilled the Texas Auto Writers recognize this," Manley added. "While retaining unmatched, legendary capability, the 2011 Jeep Wrangler boasts an all-new interior that delivers a host of comfort, convenience and versatility features. In addition, Sahara models now feature a stunning, all-new body-color hard top, for customers looking for a Jeep Wrangler with a more premium appearance."

More than 40 TAWA members were given two days of on- and off-road evaluation time with the Grand Cherokee, Wrangler and their competitors. Consideration is given to everything from exterior styling and off-road capability, to the entrant's overall utility, value and fuel efficiency.

"Jeep has proven itself in the toughest SUV market in the country," said Mike Herzing, TAWA President. "Jeep Grand Cherokee is the nicest SUV out there, and still true to its Jeep DNA."
