FCA US and the FCA Foundation Support Hurricane Harvey Relief Efforts

- FCA Foundation donates \$200,000 to fund disaster relief efforts
- FCA US employees donate supplies

September 1, 2017, Auburn Hills, Mich. - As Texas continues to face unprecedented flooding caused by Hurricane Harvey, [FCA US LLC](#) and the [FCA Foundation](#) have partnered with disaster relief organizations to support residents and communities affected by the storm.

The FCA Foundation, the charitable arm of FCA US, announced a total of \$200,000 in grants to three disaster relief organizations that provide resources in communities across the country. [Americares](#) will receive \$50,000 and [First Response Team of America](#) and [Team Rubicon](#) will each receive \$75,000. All three organizations are currently providing disaster relief support to the residents of Texas.

- **Americares** is focused on meeting the immediate health needs of those affected by the storm. The organization is well positioned to provide the critical medicines and supplies needed and help restore health services to the area.
- **Team Rubicon** has activated three floodwater rescue teams in Operation Shallow Draft, focused on Galveston and Harris counties. Additionally, two reconnaissance teams will work with local authorities in Victoria and Nueces counties to assess the situation and begin to determine where Team Rubicon can answer unmet needs.
- **First Response Team of America** is currently working in Rockport and Aransas Pass, Texas, clearing roads for first responders to do search and rescue, and for those areas where it is safe to return. The team is also clearing the way for homeowners to come back to their homes, assisting with clearing home sites and will soon head to Houston to do the same.

FCA US Employees in Michigan and Indiana Donate Essential Items

FCA US through its Motor Citizens employee volunteer program is partnering with [Disaster Relief at Work \(DRAW\)](#) to collect cleaning supplies at the Company's Auburn Hills (Michigan) Complex. The Motor Citizens will also help sort and package the supplies at DRAW's warehouse in Waterford, Mich.

FCA US is also rallying its Southeast Michigan employees to "Stuff A Semi" – an initiative led by a group of local concerned businesses. Subsequently, the Houston Flood Relief Agency will ensure the donated toiletries, clothing and other essentials supplies are delivered to those in need.

Additionally, FCA US employees in Indiana are donating non-perishable food and toiletries to support the [Midwest Food Bank Indianapolis](#), which will facilitate the delivery of the supplies to Texas.

FCA Foundation

The [FCA Foundation](#) is the charitable arm of North American automaker FCA US LLC, a member of the [Fiat Chrysler Automobiles N.V.](#) (FCA) family of companies. The FCA Foundation invests in U.S. charitable organizations and initiatives that help empower people, build strong, resilient communities and generate meaningful and measurable societal impacts. In support of these objectives, the FCA Foundation focuses on the following foundational pillars: youth development, education, support for military, veterans and their families, and community service.
