Dodge//SRT Infuses Durango GT with SRT-inspired Rallye Appearance Package

- New Dodge Durango GT Rallye Appearance Package adds performance hood, performance front fascia and LED fog lamps
- Durango GT Rallye available in seven colors: Vice White, White Knuckle, Octane Red, Redline Red, DB Black, Granite and In-Violet
- Available to order now for a limited time, the GT Rallye Appearance Package has a U.S. Manufacturer's Suggested Retail Price (MSRP) of \$1,495
- Durango GT is powered by a standard 3.6-liter Pentastar V-6 engine that generates 295 horsepower and 260 lb.-ft. of torque
- Equipped with the V-6, Durango GT can tow a best-in-class 6,200 pounds. In addition, engine stop start (ESS) is standard on the V-6 and lowers emissions while also saving fuel

April 10, 2018, Auburn Hills, Mich. - Dodge//SRT is giving its well-equipped 2018 Durango GT an extra dose of attitude this spring with a new Rallye Appearance Package, which features a performance hood with cold air duct and two heat extractors, performance front fascia and LED fog lamps that flow from the Dodge Durango R/T and SRT models.

"Many of our customers love the performance look of the Durango R/T and Durango SRT, but are happy with the award-winning Pentastar V-6 engine's 295 horsepower and the excellent fuel efficiency it delivers," said Steve Beahm, Head of Passenger Cars, Dodge//SRT, Chrysler and FIAT, FCA – North America. "This new Durango GT Rallye Appearance Package gives those three-row SUV buyers the best of both worlds."

The well-equipped GT sits at the midpoint of the Dodge Durango lineup. Available in rear-drive and all-wheel-drive configurations, the seven-passenger Durango GT equipment list includes leather-trimmed bucket seats with suede inserts, heated first- and second-row seats, power liftgate and 20-inch Hyper Black aluminum wheels. The GT Rallye also is available with the popular Blacktop package and with Brass Monkey wheels.

The Durango GT is powered by a standard 3.6-liter Pentastar V-6 engine that generates 295 horsepower and 260 lb.-ft. of torque with dual exhaust mated to a TorqueFlite eight-speed automatic transmission. Equipped with the V-6, Durango can tow a best-in-class 6,200 pounds.

The Rallye Appearance Package for the 2018 Dodge Durango GT carries a U.S. Manufacturer's Suggested Retail Price (MSRP) of \$1,495. It is available in seven colors: Vice White, White Knuckle, Octane Red, Redline Red, DB Black, Granite and In-Violet. The Dodge Durango GT Rallye Appearance Package is available to order now.

About Dodge Durango

The Dodge Durango's combination of uncompromised utility, advanced technology, class-leading towing and driving range, confident driving dynamics and aggressive styling make it the Dodge Charger of the SUV segment. For 2018, Dodge builds on Durango's proven performance, utility and comfort with the new SRT model, appearance packages and an available soft-touch hand-wrapped instrument panel. Durango's standard eight-speed automatic transmission is paired with the award-winning 3.6-liter Pentastar V-6 engine rated at up to 295 horsepower and 260 lb.-ft. of torque, and best-in-class towing capability of 6,200 pounds, the classic 5.7-liter HEMI® V-8 engine that produces a best-in-class 360 horsepower and 390 lb.-ft. of torque and class-leading towing capability of 7,400 pounds and, new for 2018, the Durango SRT's proven 392-cubic-inch HEMI V-8 delivering 475 horsepower and 470 lb.-ft. of torque – from 0-60 miles per hour (mph) in 4.4 seconds, covering the quarter-mile in 12.9 seconds as certified by the National Hot Rod

Association (NHRA), all while out-hauling every three-row SUV on the road with a best-in-class towing capability of 8,700 pounds.

The latest technology includes a programmable digital instrument cluster, available class-exclusive 9-inch dual screen Blu-ray and DVD player, available Beats premium audio system, 8.4-inch Uconnect touchscreen radio with Apple CarPlay, Android Auto, navigation and a function to view trailed items through the rear mounted camera while the Durango is in motion. Durango's available three-row seating offers spaciousness and flexibility with 85 cu. ft. of cargo capacity, 50 different seating configurations, including available second-row captain's chairs.

Dodge//SRT

For more than 100 years, the Dodge brand has carried on the spirit of brothers John and Horace Dodge. Their influence continues today as Dodge shifts into high gear with a lineup that delivers unrivaled performance in each of the segments in which the brand competes while moving forward to a future that includes electrified muscle in the form of the next-generation, all-new Dodge Charger.

The next-generation Dodge Charger electrifies a legend, with the Charger retaining its title as the world's quickest and most powerful muscle car led by the all-new, all-electric 2024 Dodge Charger Daytona Scat Pack. The all-new Dodge Charger will also offer performance choices via multi-energy powertrain options including the 550-horsepower Dodge Charger SIXPACK H.O., powered by the 3.0L Twin Turbo Hurricane High Output engine.

Dodge also keeps its foot on the gas as a pure performance brand with the 710-horsepower Dodge Durango SRT Hellcat, the most powerful SUV ever, and best-in-class standard performance in the compact utility vehicle segment with the Dodge Hornet.

Dodge is part of the portfolio of brands offered by leading global automaker and mobility provider Stellantis. For more information regarding Stellantis (NYSE: STLA), please visit www.stellantis.com.
