2019 Jeep® Cherokee Fact Sheet

June 28, 2018, Auburn Hills, Mich. - The new 2019 Jeep® Cherokee – the most capable midsize sport-utility vehicle (SUV) – boasts a new, authentic and more premium design, along with the addition of a new, advanced 2.0-liter inline four-cylinder engine that enhances performance and fuel efficiency.

Jeep Cherokee's evolution offers more interior comfort and convenience, delivering everyday practicality with outstanding ride-and-handling characteristics, independent front- and rear-suspension systems with world-class body torsional stiffness, and a choice of three different engine offerings mated to an enhanced, high-efficient nine-speed automatic transmission.

New for 2019:

- The 2019 Jeep Cherokee receives an all-new 2.0-liter turbocharged inline four-cylinder (I-4) engine – one of the most technologically advanced engines in the automotive industry, which optimizes premium performance and fuel economy with greenhouse gas (GHG) reduction enabler (270 horsepower and 295 lb.-ft. of torque):
 - Fuel economy improvement (versus V-6 engine)
 - Improvement in 0-60 mile per hour (mph) acceleration
- An all-new front design, including front fascia, hood, premium LED headlamps, daylight running lamps and fog lamps:
 - New front lightweight aluminum hood evolves the Cherokee's unique waterfall grille design to more closely align with the latest Jeep brand styling
 - New front bi-LED projector headlamps incorporate signature Cherokee daytime running light feature now as a singular component
- New rear features include lightweight composite and handsfree power liftgate, and integrates license plate with more prevalent position
- Interior receives new available High Gloss Piano Black, complemented by premium Satin Chrome tracer accents around the radio, air vents and gear shifter bezels, creating a tailored and harmonious look
- Increase in rear cargo storage space of four cubic feet
- Retuned suspension packages for improved ride comfort
- Jeep Active Drive I features an all-new design that reduces weight by 17 pounds and enhances the efficiency of the next-generation rear drive module (RDM). Also, reduces low-speed system drag torque by 50 percent, which improves fuel savings
- 2019 Jeep Cherokee receives the latest Uconnect systems that include easy-to-use features, enhanced processing power, faster start-up times and touchscreens, which display high-resolution graphics, including Apple CarPlay and Android Auto software
- 2019 Jeep Cherokee Overland models receive an all-new premium 19-inch polished aluminum wheel

Highlights:

- Best-in-class capability:
 - Choice of 2.0-liter I-4 Turbo, 2.4-liter I-4 or 3.2-liter V-6 engines – three available four-wheel-drive systems that raise the standard for midsize SUVs with Jeep Selec-Terrain traction control system with up to five customized modes (Auto, Snow, Sport, Sand/Mud and Rock), and best-in-class V-6 towing capability: 4,500 pounds, up to a 56:1 crawl ratio for low-range traction
- Fuel economy:

- Over 30 mpg highway on new 2.0-liter I-4 turbocharged engine; up to 30 mpg on standard 2.4-liter I-4 engine; optional 3.2-liter V-6 engine with stop-start technology, which delivers best-in-class V-6 fuel economy (29 mpg highway); standard nine-speed automatic transmission; and industry-first rear-axle disconnect resulting in reduced energy loss when 4x4 capability isn't needed and improved fuel efficiency
- More than 80 available advanced safety and security features

Model Lineup

For 2019, the Jeep Cherokee lineup consists of five models:

- Latitude (4x2 and 4x4)
- Latitude Plus (4x2 and 4x4)
