FCA Canada: 2019 Alfa Romeo Giulia

August 28, 2018, Windsor, Ontario - As the first of a new generation of vehicles on an all-new platform, the Alfa Romeo Giulia and Giulia Ti models embody Alfa Romeo's La meccanica delle emozioni (the mechanics of emotion) spirit, delivering race-inspired performance with a class-leading 280 horsepower (hp), advanced technologies including the available Q4 all-wheel-drive system, seductive Italian style and an exhilarating driving experience to the premium mid-size sedan segment. As the "halo" model in the lineup, Giulia Quadrifoglio highlights Alfa Romeo's exclusive motorsports expertise with a best-in-class, 505 hp, 2.9-litre twin-turbocharged V-6 engine that earns the title of the most powerful Alfa Romeo production car engine ever and the quickest with a class-leading 3.8 second 0-96 kilometres per hour (km/h) (0-60 miles per hour (mph)) time. Plus, Quadrifoglio set a Nürburgring record lap time of 7:32, the fastest ever by a four-door production sedan.

New for 2019

- New standard content:
 - 19-inch bright 5-hole aluminum wheel – Giulia Ti Sport
 - Anodized brake calipers with Red Alfa Romeo script – Giulia Quadrifoglio
 - 40/20/40 folding rear seats with 3rd rear headrest – Giulia Quadrifoglio
- New options:
 - 17-inch Bright Cerchio aluminum wheels – Giulia
 - 19-inch polished aluminum Y-spoke wheel – Giulia, Giulia Sport and Giulia Ti
 - Lipari Grey Metallic (paint colour) – Giulia and Giulia Ti
 - Imola Titanium Metallic (paint colour) – Giulia and Giulia Ti
 - Ice/Ice interior – Giulia, Giulia Sport and Giulia Ti
 - Premium Alarm System – All Giulia trims
 - Heated Rear Seats – All Giulia trims
- New packages:
 - Nero Edizione
 - **Giulia and Giulia Ti:** Dark miron V scudetto grille, dark miron mirror caps, dark headlamps bezels, black window surrounds, dark exhaust tips, dark miron badges, monochromatic wheel caps, coloured brake calipers (Red, Black, or Yellow), and Dark 5-hole aluminum wheels
 - **Giulia Sport or Giulia Ti Sport:** Dark miron V scudetto grille, dark miron mirror caps, dark headlamps bezels, dark exhaust tips, dark miron badges, monochromatic wheel caps, and Dark 5-hole aluminum wheels
 - **Giulia Quadrifoglio:** Dark miron V scudetto grille, dark miron mirror caps, dark miron badges (must have Dark Tecnico or Dark 5-hole aluminum wheels)
 - Ti Sport Carbon (Giulia Ti Sport):
 - Includes 19-in Dark 5-Hole aluminum wheels, Carbon fibre V scudetto grille, carbon fibre mirror caps, carbon fibre side skirts; dark exhaust tips, dark miron badges, dark headlamps bezels, monochromatic wheel centre caps, leather-wrapped dash and upper door trim with accent stitching, carbon fibre interior accents, carbon fibre illuminated door sills
 - Exterior Carbon Fibre Package (Giulia Quadrifoglio):
 - Carbon fibre V scudetto grille, carbon fibre mirror caps, dark miron Giulia badge (must have Dark Tecnico or Dark 5-hole aluminum wheels)

Highlights

- All Giulia models come well equipped with standard heated leather seating and heated steering wheel; Apple CarPlay and Android Auto; passive entry; remote start; bi-xenon headlamps with LED Daytime Running Lights and LED taillights; Alfa DNA Drive Mode selector; and back-up camera with rear park sensors
- Giulia and Giulia Ti feature an all-aluminum, 2.0-litre, direct-injection turbocharged engine delivering a class-leading, standard 280 hp and 306 lb-ft of torque, allowing it to launch from 0 to 96 km/h (0 to 60 mph) in 5.1 seconds and achieve a top speed of 240 km/h (149 mph)
- All Giulia sedans feature an eight-speed automatic transmission, with available column-mounted aluminum paddle shifters, that is designed for enthusiasts and shifts in less than 100 milliseconds
- The Ferrari-derived, 505 hp V-6 twin-turbocharged engine in the Giulia Quadrifoglio achieves 0-96 km/h (0-60 mph) in 3.8 seconds and a top speed of 307 km/h (191 mph)
- Giulia Quadrifoglio features a best-in-class power-to-weight ratio of approximately 4.3 kilograms (kg) (9.5 lb) per hp, and the most-direct steering available, thanks to an all-new rear-wheel-drive architecture with extensive use of lightweight materials
- Giulia Quadrifoglio features distinct styling and the most-powerful production Alfa Romeo engine ever developed with a 505 hp 2.9L twin-turbocharged intercooled V-6, carbon fibre hood, roof and rear spoiler; adaptive performance suspension; Alfa DNA Pro with Race Mode; torque vectoring; carbon fibre active aero front splitter; Harmon Kardon® Premium Audio System; carbon fibre interior trim; forward collision warning plus; 3D Navigation; and much more
