I’m certain those guys are going to help me knock it out of the park!"

Renowned TV personality and SiriusXM host [Maria Menounos](#) has long-aspired to be a Jeep Wrangler owner, and now she gets her chance as she teams up with David Tonapetyan of [DCD Customs](#), which specializes in Jeep

Wrangler customizations, to craft the Wrangler of her dreams. "I never shy away from a little friendly competition," said Menounos. "I'm so excited to participate in this program with the Jeep brand and I look forward to presenting creative space and organizational solutions from my own personal point of view, while also catering to dog lovers everywhere!"

"We couldn't be more excited to partner with the Jeep brand on this program. We've always dreamed about having our own custom Infatuation ride, and we couldn't think of a better vehicle than the Jeep Wrangler to make our own," said Chris Stang, CEO & Co-Founder.

Co-Founder & CRO Andrew Steinthal added, "We look forward to seeing how Alex Rodriguez and Maria Menounos customize their vehicles, and our goal is to see their designs in our rearview mirror when we win. May the best Jeep Wrangler win."
