April 10, 2019, Auburn Hills, Mich. - The editors of Car and Driver once again named the [Alfa Romeo Giulia](#), Giulia Quadrifoglio and [Stelvio Quadrifoglio](#) to its 2019 Editors' Choice list, an annual list recognizing the best vehicles on the market for 2019.

"In 2018, the editors here at Car and Driver tested almost 500 cars. We counted cupholders, rated seat comfort, loaded them with luggage to measure their cargo room, and took them to our test track to see how well they accelerated, braked and turned," said Kirk Seaman, Executive Editor at Car and Driver. "From this wide range of cars, we have selected our 2019 Editors' Choice winners. In our collective opinion, these are the best cars for 2019, the ones we would recommend to those shopping in each of the categories."

Crafted by Alfa Romeo artisans at the Cassino plant in Italy, the award-winning Stelvio Quadrifoglio and Giulia lineup are a testament to Alfa Romeo's perfect balance of engineering and emotion, creating a premium midsize SUV and sedan for driving enthusiasts.
