Rocky Mountain Editions of the Jeep® Grand Cherokee, Liberty and Wrangler are Ready for Spring

March 6, 2005, Auburn Hills, Mich. -

Chrysler Group is kicking winter to the curb with special limited production editions of the 2005 Jeep® Grand Cherokee, Jeep Liberty and Jeep Wrangler. These "Rocky Mountain" editions of America's most capable lineup of SUVs have distinctive styling and are equipped with popular and unique options.

"One of the things that makes Jeep vehicle owners unique is their desire to stand out from the crowd, whether on road or off road," said Jeff Bell, Vice President - Jeep, Chrysler Group. "The Jeep Rocky Mountain editions give consumers three unique ways to declare their independence from less capable SUVs."

The Jeep Grand Cherokee Rocky Mountain Edition is based on the Laredo model. The starting price is \$31,230 for the 4x2 version and \$33,200 for the 4x4 version. The 3.7-liter V-6 engine is standard; the 4.7-liter V-8 is optional. Features include:
