December 24, 2019, Auburn Hills, Mich. - "Santa" Bill Goldberg [delivered the first Dodge Challenger SRT Hellcat Redeye](#) model to "Dodge Horsepower Challenge" winner David Otero just in time for the holidays. Goldberg surprised Otero with the [special delivery](#) in New Mexico. All five winners of the "[Dodge Horsepower Challenge: 5 Weeks. 5 Questions. 5 Challengers](#)" will receive a special-edition TorRed Dodge Challenger SRT Hellcat Redeye with custom badging – a Hellcat Reindeer – on its exterior.

"Everyone of us had a moment (or more) in our school days when we questioned if any of this would help us in the real world. Well, all our math teachers should be proud, because more than 17,000 Dodge fans correctly solved what we thought were nearly impossible-to-answer challenges," said Tim Kuniskis, Global Head of Alfa Romeo and Head of Passenger Cars – Dodge, SRT, Chrysler and FIAT, FCA – North America. "But more than giving away these amazing machines, the Dodge Horsepower Challenge has given us the chance to stay connected to our passionate performance enthusiasts and welcome more fans into the Brotherhood of Muscle. After nearly 18 million video views, lots of help from friends online and likely a high level of frustration, we want to thank everyone who competed. We hope you had fun. And congratulations to everyone who correctly completed the challenges. We wish we could give you all a Redeye."

The five-week "Dodge Horsepower Challenge" kicked off Nov. 5, giving five consumers the chance to win one of five special-edition TorRed Dodge Challenger SRT Hellcat Redeye models. Consumers could visit [Dodge.com](#) to find videos of Bill Goldberg (professional athlete, pro wrestler and automobile aficionado) providing horsepower-inspired challenge questions with multiple choice responses online. The key to being eligible to win a Challenger was to answer at least one of the weekly multiple choice challenge questions correctly.
