December 21, 2020, Auburn Hills, Mich. - The new [2021 Chrysler Pacifica](#) is the best when it comes to entertaining the entire family, according to CarBuzz. The automotive industry website has named the 2021 Chrysler Pacifica winner of the 2020 CarBuzz Family Fun award.

The award marks 140 honors and industry accolades for Pacifica, the most awarded minivan over the last four years.

"The Pacifica has turned the minivan segment on its head, appealing to a broader range of image-conscious family buyers than ever before. But it's done so in a way that makes family motoring fun again," said CarBuzz Managing Editor Roger Biermann. "The 2019 Pacifica had already impressed as a runner-up in last year's CarBuzz Awards, but meaningful updates for the 2020 and 2021 model years, including the addition of all-wheel drive (AWD), the ultra-luxurious Pinnacle model and refreshed styling, made the Pacifica impossible to ignore this time around. All-weather ability in the form of the Pacifica AWD, world-beating gas mileage from the [Pacifica Hybrid](#), and the industry's best infotainment system found in a minivan, courtesy of Uconnect 5, were all key factors in awarding this year's winner. There is simply no other family car with this breadth of ability, technology and features, making the 2021 Pacifica a worthy winner in our eyes."

The 2021 Dodge Durango joined Pacifica as two of three finalists for the 2020 CarBuzz Family Fun award. Dodge Durango, the ultimate, no-compromise SUV and Charger of the three-row SUV segment, raises the bar for 2021 with new aggressive exterior styling, a new interior with a Challenger-inspired driver-centric cockpit, five-times-faster Uconnect 5 on the largest-in-class 10.1-inch touchscreen and more performance than ever with six distinct models – SXT, GT, Citadel, R/T, SRT 392 and the new 710-horsepower Dodge Durango SRT Hellcat, the most powerful SUV ever.
