TAWA

The Texas Auto Writers Association, Inc. was founded in 1987 by automotive journalists who wanted to provide an avenue of professional growth, development, and networking. These professionals sought to create an automotive event that was unique to Texas and the result was the TAWA Truck Rodeo; since 1993, Truck Rodeos have been held all over the state of Texas. In 2003, TAWA created an event for sedans, sports cars, and other vehicles not eligible for the Truck Rodeo, now called the Texas Auto Roundup. For more information, visit www.texasautowriters.org.
