November 16, 2021, Windsor, Ontario - Dodge brand is breaking all the rules, unlocking new, unrestricted, personalization options with new Jailbreak models for [2022 Dodge Charger](#) and [Challenger](#) SRT Hellcat Redeye Widebody models. The Jailbreak models unlock colour-combination ordering restrictions and add new factory-custom options to deliver enthusiasts the freedom to create a Dodge performance vehicle that perfectly fits their individual style.

Jailbreak models are the next step in the two-year Dodge “Never Lift” campaign, which will launch a variety of new Dodge models and initiatives. To view the Dodge Never Lift 24 Months of Muscle calendar, visit [Dodgegarage.com/never-lift](https://www.dodgegarage.com/never-lift).

“Roughly half of all Dodge customers modify their vehicles,” said Tim Kuniskis, Dodge Brand Chief Executive Officer - Stellantis. “For those looking for increased performance, we will launch Direct Connection next month. But for those looking for a unique appearance, we are going to let customers run free through the styling archives. We’re taking most of the parts and pieces we’ve used over the years, adding a few new ones and letting customers build their own ‘One of One.’ So, if you’re dreaming about owning a Stinger Yellow Challenger with Brass Monkey wheels, Hammerhead Grey seats, blue Brembos and red badges; I’m not sure we should, but we’ll build it for you.”

The new Jailbreak option package for 2022 Dodge Charger and Challenger SRT Hellcat Redeye Widebody models unlocks ordering restrictions, freeing owners to mix and match from a full menu of features. Jailbreak models also

include a unique Jailbreak badge on the instrument panel, and output on the SRT Hellcat Redeye Widebody is bumped to 807 horsepower thanks to a revised powertrain calibration.

The Jailbreak model for the Dodge Challenger SRT Hellcat Redeye Widebody lets option combinations run wild in more than 20 categories, including seven options for seats, stripes and wheels; six brake caliper colour options; five exterior badging finishes; four choices each of steering wheels, seat belt colours and floor mats; and much more.

Dodge//SRT

For more than 100 years, the Dodge brand has carried on the spirit of brothers John and Horace Dodge. Their influence continues today as Dodge shifts into high gear with muscle cars and SUVs that deliver unrivaled performance in each of the segments where they compete.

Dodge drives forward as a pure performance brand, offering SRT versions of every model across the lineup. For the 2022 model year, Dodge delivers the drag-strip dominating 807-horsepower Dodge Challenger SRT Super Stock, the 797-horsepower Dodge Charger SRT Redeye, the most powerful and fastest mass-produced sedan in the world, and the Dodge Durango SRT 392, North America's fastest, most powerful and most capable three-row SUV. Combined, these three muscle cars make Dodge the industry's most powerful brand, offering more horsepower than any other North American brand across its entire lineup.

In 2020, Dodge was named the "#1 Brand in Initial Quality," making it the first domestic brand ever to rank No. 1 in the J.D. Power Initial Quality Study (IQS). In 2021, Dodge brand ranked No. 1 in the J.D. Power APEAL Study (mass market) — making it the only domestic brand ever to do so two years in a row.

Dodge is part of the portfolio of brands offered by leading global automaker and mobility provider Stellantis. For more information regarding Stellantis (NYSE: STLA), please visit www.stellantis.com.
