- Grand Wagoneer named to Wards 10 Best Interiors & UX list in first year of eligibility

May 10, 2022, Auburn Hills, Mich. - The all-new [2022 Grand Wagoneer](#) with its spacious, luxurious and technologically advanced interior continues to set the standard for sophistication as a unanimous winner of Wards 10 Best Interiors & UX for 2022.

“The sheer artistry of the Jeep® brand’s lavish new interiors is breathtaking,” said Wards Editor Drew Winter. “The Grand Wagoneer easily earns its way into the six-figure SUV club on the power of its interior design.”

As the pinnacle of premium SUVs, Grand Wagoneer brings a cabin created with a modern American style, meticulously crafted details, elegant appointments and leading-edge technology.

“With first-rate, sophisticated materials, such as Blue Agave leather and textured metal trim, plus loads of tech features, including seven stunning high-res screens and an industry-first integration of Amazon Fire TV, the most luxurious Jeep yet is a unanimous choice for a 2022 Wards 10 Best Interiors & UX award,” said Wards Editor Christie Schweinsberg.

For 2022, Wards combined the Wards 10 Best Interiors and Wards 10 Best User Experience (UX) awards into a single, all-encompassing awards program, recognizing that the user experience is now deeply embedded in the interior. For this year’s awards, 22 vehicles were evaluated and included new or heavily redesigned vehicle interiors and user-experience technology. Wards analysts evaluated the nominated vehicles on a variety of aspects that shape the user’s experience inside the vehicle, including:

- Aesthetics and design of the interior
- Material quality, fit and finish
- Connectivity infotainment options
- Comfort and usability of controls and features
- Instrument-panel design, information delivery and ease of operation

- Availability and performance of driver-assistance features
- Overall value

“The original Grand Wagoneer was the first premium SUV in the market, and this double honor from Wards — for both the best interior and the best user experience — is strong validation that the all-new Grand Wagoneer delivers on its promise of being the most premium SUV, again,” said Jim Morrison, senior vice president and head of Jeep brand North America. “Designed by the same teams that created the Wards award-winning interior and user experience in the all-new Grand Cherokee L, the new Grand Wagoneer interior is the most luxurious and user-friendly in its segment, offering premium features such as available Amazon Fire TV Built-in and exclusive McIntosh audio.”
