July 15, 2022, Auburn Hills, Mich. - The Jeep® brand, celebrating more than eight decades of freedom, adventure, passion and authenticity, is ringing in another year as America's most patriotic brand. For the 20th year in a row, the Jeep brand is America's most patriotic\*, according to [Brand Keys](#) Most Patriotic Brands survey. Consumers surveyed based results on brands that best embody the value of patriotism in 2022.

"The Jeep brand is a classic. Its ability to literally own the value of patriotism seems timeless. For the 20 years Brand Keys has conducted the Most Patriotic Brands survey, Jeep has been rated No. 1 by consumers," said Robert Passikoff, president and founder of Brand Keys. "That value, 'patriotism,' is the emotional part of decision-making that accounts for an enormous portion of why consumers have emotionally engaged with the brand. Jeep resonates a degree of allegiance consumers recognize, appreciate and, most importantly, act upon when making a purchase decision. Consumers know there's a difference between wrapping yourself in the flag and being a brand people believe has actually earned that right. Jeep earned it, owns it, and we congratulate them again this year."

To determine the 2022 rankings, Brand Keys surveyed more than 5,800 consumers, 16 to 65 years of age, balanced for gender and political affiliation, assessed 1,172 brands in 131 B2C and B2B categories, using Brand Keys emotional engagement measures. The assessments evaluate brand resonance for the single value of patriotism, and the Jeep brand was identified as the best for meeting today's patriotism challenges.

"The Jeep brand is incredibly proud of its military heritage with origins that date back to 1941 – the birth of an iconic 4x4-capable vehicle the U.S. Army specifically requested," said Jim Morrison, senior vice president and head of Jeep brand North America. "The Jeep brand has become synonymous around the world for outdoor adventure and freedom, and being recognized as America's most patriotic brand for two decades running is a testament to our passionate Jeep community and to all those who protect our independence."

As a tribute to U.S. military members, the Jeep brand is offering a military-themed, [special limited-edition Freedom package](#) for the 2023 Gladiator and Wrangler, featuring military-themed exterior and interior design cues. The Jeep brand will make a \$250 donation to military charities with every Freedom edition sold.
