Canada: 2023 Jeep® Grand Cherokee L Fact Sheet

June 30, 2022, Windsor, Ontario - The 2023 Jeep® Grand Cherokee L delivers exceptional performance, comfort and functionality while continuing Grand Cherokee's legacy as the most awarded and celebrated SUV ever with legendary 4x4 capability, on-road refinement, and premium styling and craftsmanship inside and out. Built on an all-new architecture, the first ever three-row Grand Cherokee offers spacious seating capacity for up to seven passengers and individual climate zones throughout the cabin for personalized comfort. The three-row Grand Cherokee L, along with the all-new two-row Grand Cherokee and electrified Grand Cherokee 4xe, represents the most comprehensive Grand Cherokee lineup yet.

The state-of-the-art Jeep Grand Cherokee L offers an array of advanced standard and available safety and security features, including advanced driver-assist systems, 360-degree surround view and Night Vision cameras, plus next-generation technologies, including 10-inch digital screens, Uconnect 5 – the most advanced Uconnect system ever, windshield Head-up Display (HUD), digital rearview mirror, rear-seat monitoring camera and an exclusive, premium 19-speaker McIntosh audio system.

New for 2023:

- Uconnect 5 NAV with 10.1-in. digital touchscreen standard on Limited and Overland models
- Nine-speaker Alpine audio system available as standalone option on Limited model
- 19-speaker McIntosh audio system available as standalone option on Overland model

Highlights:

- Legendary off-road capability courtesy of three 4x4 systems – Quadra-Trac I, Quadra-Trac II and Quadra-Drive II with rear electronic limited slip differential (eLSD); all three systems are equipped with an active transfer case to improve traction by moving torque to work with the wheel with the most grip
- All-new global unibody vehicle architecture, independent front and rear suspensions and class-exclusive Quadra-Lift air suspension with semi-active damping deliver class-leading capability and premium on-road driving dynamics
- Best-in-class ground clearance of 27.6 centimetres (10.9 inches) and up to 60.9 cm (24 in.) of water-fording depth
- Class-leading Jeep Selec-Terrain switch with selectable terrain modes is standard on Grand Cherokee L 4x4 models (Limited and above), with five available terrain modes (Auto, Sport, Rock, Snow, Mud/Sand) to provide optimized calibrations for any given driving scenario
- Hill-descent Control is standard on Grand Cherokee L Overland and Summit models and works in both forward and reverse
- Available Off-Road Group for the Grand Cherokee L Overland 4x4 model delivers Trail Rated performance, class-leading traction, ground clearance, maneuverability, articulation and water fording; includes high-strength steel skid plates, electronic limited slip differential rear axle, 18-inch aluminum wheels and rugged, all-season performance tires
- The standard Pentastar 3.6-litre V-6-powered Grand Cherokee, rated up to 290 horsepower and 257 lb.-ft. of torque, tows up to 2,812 kilograms (6,200 pounds), while the available award-winning 5.7-litre V-8 packs 357 horsepower and 390 lb.-ft. of torque with best-in-class towing capacity of up to 3,265 kg (7,200 lbs.)
- Each engine mates to the durable, robust TorqueFlite eight-speed automatic transmission, which enhances fuel economy and delivers crisp and smooth gear changes
- Authentic exterior design and world-class craftsmanship convey a refined body style with signature Jeep design cues, including Jeep's signature seven-slot grille, aggressive front approach angle and trapezoidal wheel arches

- Full suite of LED exterior lighting is standard on all Jeep Grand Cherokee L trim levels
- Premium, spacious interior features 10-inch display screens across the instrument panel, ambient LED lighting, driver and front passenger seat massage and personalized climate zones
- 10.25-inch dynamic front passenger touchscreen (available on Limited, Overland and Summit, standard on Summit Reserve)
- 10.1-inch dual rear-seat entertainment touchscreens (available on Limited and above)
- Amazon Fire TV built-in with access to hundreds of thousands of movies, TV shows and apps (available on front-passenger and rear-seat screens when equipped with Rear Seat Entertainment system)
- Front- and rear-passenger screens feature an HDMI plug to project wireless device content onto the screen and through the Uconnect 5 system
- Available Grand Cherokee L Limited Black and Summit High Altitude packages include black exterior accents, 20-inch wheels on Limited and 21-inch wheels on Summit
- Hand-wrapped, quilted Palermo leather, open-pore Waxed Walnut wood, 21-inch wheels and standard premium amenities elevate the Summit Reserve Package to highest levels of luxury
- Equipped with more than 110 advanced standard and available safety and security features, including an L2 driver-assist system with hands-on automated driving, along with 360-degree surround view and night vision cameras
- Next-generation technologies, including Uconnect 5 with wireless Apple CarPlay and Android Auto, windshield HUD, digital rearview mirror, frameless digital cluster, rear seat monitoring camera and an exclusive available premium 950-watt, 19-speaker McIntosh audio sound system
- Jeep Wave® customer service program comes standard with all Grand Cherokee L models and includes premium benefits, such as worry-free maintenance, same-day vehicle rentals, 24/7 roadside assistance and dedicated owner support
