February 10, 2023, Auburn Hills, Mich. - Event tickets, as well as drag racing and car show registration, are now available for the Dodge Last Call Powered by Roadkill Nights Vegas event, giving gearheads the chance to reserve a front-row seat to witness Dodge pull back the curtain on the worldwide reveal of the brand's final 2023 "Last Call" special-edition model. The Dodge Last Call Powered by Roadkill Nights Vegas high-adrenaline performance festival will fire up on March 20, 2023, at The Strip at Las Vegas Motor Speedway.

Enthusiasts can purchase general admission tickets and register for the event's cruise-in car show and drag racing on The Strip at Las Vegas Motor Speedway, as well as check out the complete event schedule, at www.Motortrend.com/DodgeLastCall.

The Dodge Last Call Powered by Roadkill Nights Vegas event will also serve as a celebration of a new, electrified chapter for the brand. The Dodge Charger Daytona SRT Concept will share the spotlight in Las Vegas, showcasing a giant step forward on the performance brand's road to an electrified future. The [Dodge Charger Daytona SRT Concept](#) reimagines what a battery-electric vehicle (BEV) can be and offers a glimpse at the brand's electric muscle car future through a vehicle that drives like a Dodge, looks like a Dodge and sounds like Dodge.

Dodge Last Call Powered by Roadkill Nights Vegas

Dodge Last Call Powered by Roadkill Nights Vegas is a one-day automotive festival that will bring all the elements of previous Roadkill Nights events held in the metro Detroit area to Las Vegas. Activities will include Small Tire and Big Tire drag racing on The Strip at Las Vegas Motor Speedway, Dodge Thrill Rides and simulators, a car show and sponsor/vendor midway areas, a post-event concert/afterglow and more.

Dodge Last Call Powered by Roadkill Nights Vegas will serve as the first of two 2023 Roadkill Nights events. The traditional Roadkill Nights stop in metro Detroit will take place later this summer and will feature a new format for the event's popular Dodge Direct Connection Grudge Race, pairing competitors in teams to use all-new Dodge Direct Connection HurriCrate engines as the foundational building blocks of their respective drag car build projects.

As with previous Roadkill Nights events, the Roadkill Nights Vegas performance fest will be packed with celebrity appearances, highlighted by a special performance by Grammy-winning superstar Diplo.

The Roadkill Nights Vegas event will also include celebrity appearances by MotorTrend television personalities David Freiburger, Mike Finnegan, KJ Jones, Chris Jacobs and Alex Taylor, renowned blues and rock guitarist Kenny Wayne Shepherd and automotive television host and personality Mike Musto.

Gates for the Dodge Last Call Powered by Roadkill Nights Vegas event will open to the public at noon PT on March 20, with the reveal of the final Dodge 2023 "Last Call" special-edition model scheduled to start in the 6 p.m. PT hour.

A Livestream feed of the reveal will be available for viewing at [DodgeGarage.com](https://www.DodgeGarage.com), the [Dodge](#) YouTube channel, [MotorTrend](#) YouTube channel, as well as at MT+.

2023 Dodge Charger/Challenger "Last Call" Highlights

Dodge Last Call Powered by Roadkill Nights Vegas unleashes the seventh and final 2023 "Last Call" special-edition model, commemorating the Dodge Challenger and Dodge Charger, which are coming to an end in their current HEMI®-engine-powered forms at the end of 2023. Six [Dodge "Last Call" models](#) have already been introduced: the Dodge Challenger Shakedown, Dodge Charger Super Bee, Dodge Challenger and Charger Scat Pack Swinger, Dodge Charger King Daytona and Dodge Challenger Black Ghost.

In addition to the seven "Last Call" special-edition models, Dodge is also celebrating its 2023 model lineup by bringing back three beloved heritage exterior colors, B5 Blue, Plum Crazy purple and Sublime green, and one popular modern color, Destroyer Grey. 2023 Charger and Challenger R/T models will also feature new "345" fender badging, a callout to the 345-cubic-inch HEMI engine under the hood, and all 2023 Dodge Charger and Challenger models will carry a special commemorative "Last Call" underhood plaque.

Dodge also launched a new [Horsepower Locator](#) online tool to help Brotherhood of Muscle members make the "Last Call" for the model of their choice. The Dodge Horsepower Locator tool, as well as information on the brand's 24-month Never Lift plan, is available at [DodgeGarage.com](https://www.DodgeGarage.com).

For 110 years, the Dodge brand has carried on the spirit of brothers John and Horace Dodge. Their influence continues today as Dodge, America's performance brand, shifts into high gear with a lineup that delivers unrivaled performance in each of the segments in which the brand competes while moving forward to a future that includes electrified muscle in the form of the next-generation, all-new Dodge Charger.

The next-generation Dodge Charger electrifies a legend, with the Charger retaining its title as the world's quickest and most powerful muscle car led by the all-new, all-electric 2024 Dodge Charger Daytona Scat Pack. The all-new Dodge Charger will also offer performance choices via multi-energy powertrain options including the 550-horsepower Dodge Charger SIXPACK H.O., powered by the 3.0L Twin Turbo Hurricane High Output engine.

Dodge also keeps its foot on the gas as a pure performance brand with the 710-horsepower Dodge Durango SRT Hellcat, the most powerful SUV ever, and best-in-class standard performance in the compact utility vehicle segment

with the Dodge Hornet.
