- Jeep Wrangler wins the Off-Road SUV category for a ninth time and the Jeep Wrangler Rubicon 392 tops the score charts for Best Performance
- Stellantis' Uconnect 5 infotainment system wins Best Feature award

November 9, 2023, Auburn Hills, Mich. - Ram and Jeep® vehicles earned top honors at the annual Texas Truck Rodeo, hosted by the Texas Automotive Writers Association (TAWA). Collectively, these brands secured the most awards of any manufacturer at the event.

“Ram trucks brought their A-game again this year, winning several consecutive awards, including the Full-size Pickup Truck of Texas, and scoring the highest for overall personal appeal, which is significant because Texas is the truck capital of the US,” said Teia Collier, TAWA president. “We also enjoyed the lineup from the Jeep brand, with several vehicles that were the stars of their categories offering incredible performance, craftsmanship and capability.”

Members cast their votes after a full day of on- and off-road vehicle evaluations, including 218 drives on the event route. Consideration is given to everything from exterior/interior styling and off-road capability to the entrant's overall utility, value and performance.

Overall, Stellantis brands took home an impressive nine awards, including:

- Full-Size Pickup Truck: [2023 Ram 1500](#)

Ram Brand

In 2009, the Ram brand launched as a stand-alone division, focused on meeting the demands of truck buyers and delivering benchmark-quality vehicles. With a full lineup of trucks, the Ram 1500, 2500/3500 Heavy Duty, 3500/4500/5500 Chassis Cab and ProMaster vans. Ram builds trucks that get the job done and families where they need to go.

Ram continues to outperform the competition, setting the benchmark in the most important areas for truck buyers:

- Segment-first 1,000 lb.-ft of torque with Cummins Turbo Diesel
- Most luxurious: Ram 1500 Tungsten with air suspension, 24-way massage seats and 540 horsepower
- Best ride and handling with a double wishbone front suspension and five-link solid rear axle with available, segment-exclusive, active-level air suspension
- Best-in-class available rear leg room
- The most cargo space available in any traditional full size cargo van
- Most capable full-size off-road pickup – Ram Power Wagon
- Most awarded light-duty truck in America
- Highest owner loyalty of any half-ton pickup

The latest [J.D. Power APEAL study](#), which rates the emotional bond between customers and their vehicles, named the 2023 Ram 1500 as the best full-size light-duty pickup.
