- Mopar remains global OE parts and authentic accessories brand for Stellantis
- Launch of bproauto helps address a key pillar outlined in the Stellantis Dare Forward 2030 strategic plan — to grow sales in the independent aftermarket

February 14, 2024, Auburn Hills, Mich. - bproauto, the new aftermarket parts brand of Stellantis, today announced the launch of its newly expanded website bproautoparts.com.

Introduced in North America in summer 2023, bproauto offers a proven second-line brand of high-quality aftermarket parts that costs less than original-equipment (OE) offerings and are backed by a standard two-year/unlimited-mile warranty.

The revised website offers a wide array of expanded functionality, including:

- Full parts catalog
- Search functions, such as:
 - bproauto part numbers
 - Competitive interchange / cross-reference part numbers
 - Specific vehicle fitment by model or VIN
 - Full application and cross-reference guides
 - Where to buy
 - Dealer locator and direct link to Nexpart (aftermarket B2B parts ordering network for repair shops and professional parts buyers) for easy ordering
 - Region selection tool for U.S., Canada and Mexico with filters for available parts
- Automatic alerts for error parts that won't fit an indicated vehicle
- Aftermarket catalog exchange standard (ACES)- and product information exchange standard (PIES)-compliant images for application-specific parts
- Access to registration for emailed newsletter

"Our new bproautoparts.com is the perfect search and sales tool for dealers and wholesalers," said Dustin Pedley, head of the North American aftermarket for Stellantis. "Our service to them goes beyond making aftermarket parts that pass original equipment standards for fit, form, function and durability, it also includes helping them get the parts they need to their service bays when they need them. Our new website is a very important link in that supply chain."

The following parts are currently available on bproautoparts.com:

- Air filters

- Batteries
- Brake pads
- Brake rotors
- Cabin air filters
- Fuel injectors
- Fuel pump modules
- Hub bearings

Mopar

Mopar is the global name for Stellantis genuine parts and authentic accessories.

A simple combination of the words MOTO and PARTS, Mopar offers exceptional service, parts and customer-care. Born in 1937 as the name of a line of antifreeze products, Mopar has evolved over more than 85 years to represent both complete vehicle care and authentic performance for owners and enthusiasts worldwide.

Mopar made its mark in the 1960s during the muscle-car era with performance parts to enhance speed and handling for both on-road and racing use. Later, Mopar expanded to include technical service and customer support, and today integrates service, parts and customer-care operations in order to enhance customer and dealer support worldwide.
