What's New for 2025: Alfa Romeo Stelvio

September 25, 2024, Auburn Hills, Mich. - Named after the world's greatest driving road, the Stelvio Pass, the Alfa Romeo Stelvio is the benchmark for performance SUVs. The 2025 Alfa Romeo Stelvio evolves from three trims to one core version with available Veloce, Active Assist and Premium Interior and Sound packages, as well as additional options for simplified ordering.

New limited-production special-edition Tributo Italiano is introduced for Stelvio. Tributo Italiano exterior features include 21-inch dark aluminum wheels with red calipers, body-color appearance kit, sport rear diffuser, Tributo mirror caps, sunroof, Gloss Black roof rails and moldings and hands-free power liftgate. Inside, occupants are treated to premium touches such as a Harman Kardon audio system and leather dash, doors and sport seats, which include power bolsters and eight-way power passenger seat. Signature Alfa Romeo driving dynamics are highlighted by the standard sport suspension. The Stelvio Tributo Italiano is also available with the new Active Assist Plus Package that includes Thatcham security, Intelligent Speed Assist, Driver Attention Alert, Lane Keep Assist, Traffic Sign Recognition and Active Driving Assist.

Crafted by Alfa Romeo artisans at the Cassino plant in Italy, the Stelvio lineup is infused with Italian passion, craftsmanship and innovation and is a testament to Alfa Romeo's unparalleled balance of engineering and emotion, creating a premium midsize SUV for driving enthusiasts.

What's New for 2025

- One core version replaces Sprint, Ti and Veloce trims
- Limited-production special-edition Tributo Italiano is introduced concurrent with model-year launch
- Verde Fangio Metallic paint

Highlights

Standard 12.3-inch thin-film transistor (TFT) screen with access to vehicle information, including autonomous driving data, the cluster can be reconfigured into three layouts: Evolved, Relax and Heritage:

- **Evolved** represents the future of Alfa Romeo design and uses the central area of the screen, despite keeping its two lateral quadrants in place
- **Relax** focuses on comfort, is free of detailed vehicle information, and does without the two quadrants
- **Heritage** is inspired by the brand's iconic '60s and '70s models, with distinctive details like inverted numbers at the end of the speedometer

Upscale Interior With Premium Content

- The center console features leather-wrapped gear shifter with bright accents, premium rotary knobs and dial materials, open front storage with large cup holders, abundant storage capacity and available wireless mobile phone charging pad
- Stelvio is well-equipped with standard leather seating, Apple CarPlay, Android Auto, SiriusXM Radio, keyless passive entry, remote start, bi-xenon headlamps with LED daytime running lamps and LED taillamps, Alfa DNA drive mode selector, backup camera with rear park sensors and Full-speed Forward Collision Warning-Plus
- The sports car of its segment, the Stelvio features near perfect 50/50 weight distribution and class-leading power and performance with key race-inspired features, including a class-exclusive carbon fiber driveshaft, flat-bottom Formula One-inspired steering wheel, Alfa DNA drive mode selector, and an eight-speed automatic transmission featuring steering column-mounted aluminum paddle shifters and gear shifts in less than 100 milliseconds

Powertrain

- Stelvio features an all-aluminum, 2.0-liter, direct-injection turbocharged engine producing a class-leading, standard 280 horsepower and 306 lb.-ft. of torque, delivering 0 to 60 mph in 5.4 seconds and a top speed of 144 mph

Standard Convenience Features

- Front and rear heated seats
- Navigation system
- Wireless charging pad
- Auto-dimming rearview mirror
- Air Quality System

Standard Exterior Features

- Dark appearance, dark grille

Alfa Romeo

Born in 1910 in Milan, Italy, Alfa Romeo has designed and crafted some of the most stylish and sporty cars in automotive history. That tradition lives on today as Alfa Romeo continues to take a unique and innovative approach to automobiles. The Alfa Romeo Stelvio sets a benchmark in performance, style and technology in an SUV. The award-winning Alfa Romeo Giulia delivers race-inspired performance, advanced technologies and an exhilarating driving experience to the premium midsize sedan segment. In early 2023, Alfa Romeo will offer its first compact SUV with the all-new Tonale. The globally available Tonale is part of a radical evolution taking place at Alfa Romeo, which looks ahead to a new era of electrification and connectivity. Alfa Romeo is part of the portfolio of brands offered by leading global automaker and mobility provider Stellantis.
