- For more information on Chrysler brand family of minivans, visit [Chrysler.ca](https://www.chrysler.ca)

October 9, 2024, Windsor, Ontario - The 2025 Chrysler Grand Caravan provides significant value for Canadian families, now with a budget-friendly price starting at \$49,995 (\$47,700 MSRP, plus additional fees). Available exclusively in Canada and built on 40 years of minivan leadership, the well-equipped Grand Caravan holds its own distinct position in the award-winning Chrysler minivan lineup, offering space, efficiency, unique and sophisticated design and an exceptional driving experience, with over 100 standard and available security features.

The made-in-Canada Chrysler Grand Caravan is built in Windsor, Ontario, and enhances the array of Chrysler minivan choices, ranging from the entry-level Grand Caravan to the premium 2025 Chrysler Pacifica Pinnacle, featuring the most luxurious interior in its class. The multi-energy minivan lineup includes an electrified option in the 2025 Chrysler Pacifica Plug-in Hybrid, still the first and only plug-in hybrid minivan eligible for a \$5,000 federal zero-emission vehicle (iZEV) credit and additional provincial electric vehicle rebates, and Pacifica gasoline-powered front-wheel- and all-wheel-drive configurations.

"The 2025 Chrysler Grand Caravan offers customers a well-equipped, budget-conscious minivan and reinforces our brand's commitment to delivering choices in the segment Stellantis created more than 40 years ago and continues to lead," said Chris Feuill, Chrysler brand CEO – Stellantis. "We've added many comfort, technology-focused and safety features as standard equipment on Chrysler Grand Caravan, including standard Stow 'n Go seating, making the Grand Caravan an attractive, value-packed option within the Chrysler family of minivans."

The 2025 Chrysler Grand Caravan is now open for orders, with vehicles scheduled to arrive at Canadian dealerships in the fourth quarter.

New standard features on the 2025 Chrysler Grand Caravan include a 10.1-inch Uconnect 5 touchscreen, delivering a range of connected services, including ability to connect two phones simultaneously with Bluetooth, Amazon Alexa voice controls and more:

- 7-inch digital cluster display
- Super Console with covered and second-row accessible storage
- Black Caprice leatherette seats trimmed in Light Diesel stitching
- Blind-spot Monitoring with Rear Cross Path detection
- Rear Park Assist
- Adaptive cruise control
- Driver seat memory
- Three-zone auto HVAC controls
- Passenger four-way manual seats
- Second-row sunshades
- 10-year Safety & Security trial, including:
 - Automatic SOS
 - SOS Call & Assist Call
 - Theft Alarm Alert
 - Stolen Vehicle Assistance
- Three-month trials to Chrysler Connect, Connected Traffic and Travel Services

The 2025 Chrysler Grand Caravan arrives loaded with additional key standard content, including the Stow 'n Go seating system, featuring industry-exclusive second-row Stow 'n Go, as well as third-row Stow 'n Go, power-sliding doors and liftgate, driver eight-way power seats, and heated front seats and steering wheel. Also standard is seven passenger seating, wireless Android Auto and Apple CarPlay, integrated hands-free Bluetooth and phone command, six-speaker audio system, remote start, active noise cancellation and more. Grand Caravan offers more than 906 litres (32 cubic feet) of interior cargo volume.

Chrysler Grand Caravan carries its own unique look and feel within the 2025 Chrysler minivan lineup, with classic front and rear exterior styling that distinguishes the Grand Caravan from the Chrysler Pacifica. The Grand Caravan rolls on 17-inch aluminum wheels and features automatic headlamps and foglamps, as well as an acoustic windshield. Powered by the award-winning 3.6-litre Pentastar V-6 engine paired with a segment-exclusive TorqueFlite nine-speed automatic transmission, Grand Caravan delivers 287 horsepower and 262 lb.-ft. of torque.

Additional standard safety features include seven air bags, daytime running lights, electronic stability control, brake assist, Child Seat Anchor System (LATCH), ParkView rear backup camera and more.

The 2025 Chrysler Grand Caravan will be available in the SXT trim level, with a choice of three exterior colours: Red Hot, Bright White and Diamond Black.

Chrysler Brand

The Chrysler brand has delighted customers with distinctive designs, craftsmanship, and advanced innovation and technology since the company was founded in 1925. Chrysler continues to build on that nearly 100-year legacy of creating ingenious products and technologies for mainstream customers, moving forward on an electrified transformation that will launch the brand's first battery-electric vehicle in 2025 and an all-electric portfolio in 2028.

The Chrysler Pacifica continues to reinvent the minivan, a segment Chrysler created 40 years ago. The Chrysler Pacifica Plug-in Hybrid symbolizes the brand's electrification evolution, representing the first electrified minivan in the segment and achieving 2.9 Le/100 km, an all-electric range of 51 kilometres and a total range of 835 kilometres. Chrysler Pacifica delivers the most standard safety features and most advanced available all-wheel-drive system in its class and is also the most awarded minivan over the last seven years with more than 175 honours and industry accolades since its introduction as a minivan.

Chrysler is part of the portfolio of brands offered by leading global automaker and mobility provider Stellantis. For more information regarding Stellantis (NYSE: STLA), please visit www.stellantis.com.
