John Kett Named Vice President - Asia Operations, Chrysler LLC

January 15, 2009, Auburn Hills, Mich. -

Chrysler LLC today appointed John Kett to Vice President - Asia Operations. Kett will have direct responsibility for all sales and marketing activity in Asia and play a pivotal role in aligning Chrysler's business functions in the region.

Kett previously was Chrysler's Chief Finance Officer - Asia Operations, a position he was appointed to in September 2008. Kett reports to Michael Manley, Executive Vice President - International Sales and Global Product Planning Operations, Chrysler LLC.

"With Asia remaining integral to Chrysler's viability and long term success, we will continue to offer our customers in the region vehicles that they want to buy, enjoy driving, and will want to buy again. John's strong automotive experience and first-hand knowledge of the Asian markets will help us to achieve this goal," Michael Manley said.

Kett joined Chrysler LLC in January 2008 as Director - Finance and Controlling. He came to Chrysler from Ssangyong Motor of Korea where he was Chief Financial Officer. He also served previously as Chief Financial Officer, General Motors China Group.
